Description of Bug	Location of Bug	Steps to Recreate Bug and/or Test Case #	Root Cause Analysis Notes
When running testCreateAuditF ile(), the first file created is empty but the second has the "[election type] audit file created" line. Interestingly, this bug doesn't appear in the normal program's run.	createAuditRepo rt() in BCS.java	Test ID: BCS_AuditFile Creation	It looks as through the first write gets ignored or isn't writing what it should be.
